NOTE FOR: Chairman, NIC

Bob: *Bob*

This suggestion for an NIO/Space
Issues probably deserves DCI attention.
Would you have a response prepared for
Mr. Casey's signature?

NOTE TO: Honorable William J. Casey, DCI

FROM:

You wrote a note to us a month or so ago requesting suggestions about how to improve the work we do.

I would like to suggest that you give serious thought to the formation of an NIO/Space Issues. Such a person, or small group, would have the principal responsibility for advising you on issues that include, but would not necessarily be limited to:

0-102

I would be very happy to discuss this suggestion with you and
would be willing to help your staff flesh it out, if you are interested.

Sincerely,
